Dear All,

Update on The Garron Centre

Following a meeting with Jeremy Wilding, The Hereford Diocesan Registrar, a proposal for an interim license was put before the Diocesan Advisory Committee (DAC) on Tuesday. The DAC are supportive of the proposal and an application may now be made to the Chancellor of the Diocese for an Interim Faculty to grant a 12 month license for us to continue to operate all events in the Garron Centre. It is anticipated that this could take up to 2-4 weeks. Meantime we will be working with the Church and the PCC on an application for a Faculty to renew the license over a longer term.

Church Faculty: A faculty, is a form of ecclesiastical permission, required before any works (or permissions) can be carried out to Church of England churches and burial grounds, and to other property which has been consecrated for sacred use by the Church.

Meantime, the vicar, Ben Betham has given his permission for a **Food Van** to operate from the church car park on **Friday 7th February. Franklins Kitchen**, (of Loughpool fame) will be coming to serve a delicious takeaway menu for us. More information on times and menu to follow.

Helen Edwards
Chair of the LCA Management Committee
